Our Services

Custom Prop and Costume Rental

Custom prop and costume creation. Need something for a show in your season? Obsessed with a show but that one tricky component holding you back from producing it? Ghostlight will design and create what you need!

Traditional prop and costume rental. Choose what you need from our growing stock.

Prop and Costume Trade and Barter. Have an amazing item from a past show taking up precious storage space in your theatre? Donate it to Ghostlight! Donated items can be bartered for free use of other props from our stock in exchange. Even better, your prop will ALWAYS be yours to use, free of charge! 6 months notice is required so we know not to rent it during the time period you need it.

Show Kits/Ensemble Props. Producing a show in concert style or less than full tech? Key props and matching ensemble costume accessories can make all the difference in defining characters and creating an impression of the world of the show.

Large Format Printing. Need a flat Old Man Jenkins for SpongeBob that is actually a photo of your actor? We can do that! Printing is available up to 24" wide.

Hourly and/or Fee Based Services

Repairs and Transformations. Have a great Elphaba dress but need it to work for Morticia in next spring's Addam's Family production? We can help! Already have an item but it'll need some work to be able to use it? We can do costume and prop alterations, repairs and transformations of any kind.

Stitching Assistance. Creating a set of costumes and need help pulling it together? We can help with stitching, decorating, running elastic, etc.

Welding Services. Small scale metalwork and welding is available.

Costume Plots and Prop Lists. Let Ghostlight do the work with your script to develop these essential guides.

On-Site Services

Costume and Prop Storage Organization. All theatre directors know how hard it is to keep your stock clean and organized. We're here to help!

Prop Table Set Up. Can include crew and actor training in how to care for and manage show props through the run.

Alterations/Sewing Workshops. Wish you had more time to set up your crew to do better working independently, measurements, sewing, design etc.
